## DR. ARETHA WILSON

Dr. Aretha Wilson is an end time handmaiden of the Lord, one whom God has called out for such a time as this to unequivocally declare the word of truth with authority and power. She holds a Doctorate of Sacred Theology, Masters of Divinity and Bachelors of Religious Education.

This yielded vessel has been anointed and equipped to carry out this mandate: to bring Reformation and Restoration to the Body of Christ under an Apostolic and Prophetic mantle. She has been laboring to bring sound truth and deliverance to the Body of Christ at large through her annual conference R.A.W. International ("Remnant Affecting the World for Gods Glory").

Dr. Aretha Wilson is under the covering of Apostle Halton (Skip) Horton and the Seven Thousand More Covenant Fellowship. She is a pastor, a mentor for leaders, an author and a 15-year veteran bible instructor and educator. Operating in the call of the apostolic, Dr. Wilson oversees ministries nationally and internationally: Humble Heart Fellowship Ministries, Jamaica, NY, New Life Deliverance Ministries, Hamden, CT, Kingdom of God Bible Ministries, New Rochelle, New York, Judah International Ministries, Decatur, GA and Apostle Sirwealthson Henry Chukwudi & the Kings Bride Embassy, Nigeria, Africa. Dr. Wilson is the president and founder of the Kingdom Ambassadors Bible Institute, an institution of higher learning, training and equipping the saints for kingdom work. She has served as a board member and remains an affiliate of Churches United to Save and Heal (C.U.S.H.), and is the author of the fast selling book, "Exposing the Spirit of Aquarius".

Dr. Wilson maintains a special love for the backslidden. Over 19 years ago, God freed, repaired and restored her from the yoke of drug addiction. Dr. Wilson was already active in the evangelistic ministry when she fell from the pulpit to a life of drug dependency and violence in the streets. "I was backslidden to what I thought was beyond repair. I thought I would die out there. The reality of that [restoration] has given me such a strong faith and confidence that God can restore anyone and anything". God uses her life and testimony to bring healing and restoration to thousands.

This prophetess has traveled extensively through the United States and abroad ministering in revivals, conferences and seminars, delivering a challenging and impacting word of the Lord. She has been a featured guest on the Trinity Broadcasting Network (TBN) and has a weekly telecast entitled R.A.W. Truth on The Word Network, Streaming Faith, BCAT 56, 69 and MNN 57, 85.

Dr. Wilson attributes her great love and compassion for souls, not only to her own course of life preparation, but also to her former Pastor, Dr. John H. Boyd, her parents the Late Rev. Frederick and Mother Annie Wilson, and the Late Mother Estella Boyd. Through the power of the Holy Spirit with these gospel generals as contemporary examples, Dr. Wilson continues to walk in truth, humility and integrity. Her favorite confession is "I have chosen the way of truth".
